Creative Technologist · Problem Solver · Innovator

karthikm41004@gmail.com
6362983321
DOB 04-10-2004

Objective

Looking for a Corporate entity, Which provides a friendly environment and good career opportunities. To give my level best to the institution I work with. To learn all the aspects of my job in an organisation and enhance my knowledge and experience.

Projects

TechQuest - Web Application Dev (2025)   🔗 Project_link

TechQuest is a web app I built to help beginners start their tech career with clear , level-based roadmap and curated resources. It guides users on what to learn, why to learn it, and how to progress. The platform includes progress tracking and a simple resume builder tool. Users can create and download their resumes for free, making TechQuest a complete starter tool for learners

Portfolio - Frontend Dev (2025)   🔗 Project_link

Designed and developed a personal portfolio website using HTML , CSS , JS . customized layouts and components to match a unique design concept , optimised responsiveness across devices, and deployed it online to showcase projects and skills

TF Fitness - Web Dev (2025)   🔗 Project_link

Planned and built a stunning fitness tutorial website using HTML , CSS. Which will be helpful for many people who are intrested in start their fitness journey (academic project)
Link :

DJPubEvent - EventOrganization(2024)

Successfully organized and hosted a DJ Pub party from scratch - including poster & pass design , marketing and on-ground management. Delivered a smooth , engaging experience for 200+ attendees
